**MISSISSIPPI**

# Fraternity and Sorority Life

RE: University Meal Plan, Flex Dollars, and ID requirements – Fall 2024/Spring 2025

Dear students going through Sorority/Fraternity Recruitment,

**All first-year undergraduate students assessed for housing** are required to purchase a semester meal plan **BOTH** fall and spring semesters of first year, regardless of classification or Greek affiliation. Sorority/fraternity houses may offer their own meal plans, which are not to be confused with the required university meal plans. University meal plans and sorority/fraternity house meal plans can complement each other, and allow you to eat on campus, as well as, with your organization. The university does not govern or influence sorority/fraternity house meal plans, and all financial arrangements are made between the student and the organization and are separate from the university.

All that are participating in **sorority** recruitment are **required to have the Move In Week plan in the Fall Semester**. The Move In Week plan begins at least one week before the semester meal plans, and any unused meals remain accessible through the end of semester final exams. Although required in the Fall Semester for students participating in sorority recruitment, it is available for any student to choose. The Move In Week plan is **not** required for fraternity pledges. Move In Week meals are not automatically reassessed in the Spring Semester.

Students invited to become a member of a **sorority** or **fraternity** have an opportunity to change their university meal plan to the [Going Greek Meal Plan](#) in the **Fall Semester and the Spring Semester**, based on proof and date of pledge, in addition to any meals that may be provided at the sorority/fraternity house. If Greek membership is suspended by either the student or the organization, or if not verified by Greek Life Office, then the university Going Greek meal plan will automatically default to the previous meal plan election, with adjustments made to the ID accounts and the Bursar account. Students do not have to change their university meal plan to the Going Greek Meal Plan; this is simply an option. To view all first-year meal plan options, visit [First-year Resident Meal Plans](#).

If a meal plan is required, and a meal plan is not selected, the [Rebel Unlimited Plus One meal plan](#) will be automatically assessed. The [Residential College Unlimited Plus One](#) meal plan is **required for all residents of the Residential College** and is automatically assessed for students assigned to Residential College Housing. The Going Greek meal plan will **not** satisfy this requirement and is **not an option** to those assessed for a room in the Residential College, including [Lucky Day Residential College \(LRC\)](#) and [Residential College South \(RCS\)](#).

If selecting a meal plan after semester fees and meal plan assessment, it is considered a meal plan change and must be submitted by meal plan change request form online through [olemissdining.com](#) to be considered. Once fees are assessed, the first change is made at no charge. \$25 is assessed for additional changes. Adjustments, for usage from the previous meal plan, will be made to the new meal plan, Flex, Dining Dollars, or Ole Miss Express, after the change is completed. If meals or funds are not available for adjustment, the Bursar account will be billed for previous meal plan usage, in addition to the new meal plan.

**Fall 2024 Meal Plan Change Deadline: 9/9/24**   **Spring 2025 Meal Plan Change Deadline: 2/4/25**

To select or change a meal plan, visit [Ole Miss Dining](#).

[\(Required\) Flex Dollars](#)

[\(Optional\) Ole Miss Express](#)

Billing requests submitted to the ID Center in writing, or by request form at [olemissdining.com](http://olemissdining.com), to bill Ole Miss Express, or additional or unrequired Flex, to a student's Bursar account are granted only through the first two weeks of the semester, or upon approval through the Office of Financial Aid. After the first two weeks of the semester, financial aid deferment requests (available beginning the first day of classes) must go through the electronic financial aid voucher process, via the MyOleMiss student portal, under the heading, "Ole Miss Express Voucher Request." Approved vouchers submitted before 3pm should be available by noon the following business day. Once approved by Financial Aid, the student will receive an email from Financial Aid notifying them if the request is approved or denied. Limits will apply.

If you have yet to order your first ID: [Order Your Student ID](#)

All students are encouraged to use GET to manage their ID accounts:

What can I do with GET?

Go online to:

- \*Deposit money to your Flex & Express
- Report your ID as lost/found
- View your transaction history
- View your current balance

How do I create an account with GET?

- GET uses your same WebID/Password that you use for other University services. Just visit [get.cbord.com/olemiss](http://get.cbord.com/olemiss) to log in!
- \*NOTE: There is a \$2.50 fee added per deposit. (If you deposit \$20.00, \$22.50 will be charged to your method of payment.)

To view all university policies on meal plans, Flex Dollars, Ole Miss Express, or ID accounts, please visit [policies](#).

For any questions, please contact the ID Center by email at [omexpres@olemiss.edu](mailto:omexpres@olemiss.edu), by phone (662)915-7423, or visit the [ID Center](#) website, or [Ole Miss Dining](#) website.
